as well all involved parties put in for ⑤  
resignation along with the rest of the policies  
Stayton station that was working that shift  
Jan - 10 - 21. not only have most these  
parties involved tried to stone wall me with  
providing any info, but use their Authority  
position to cover up as long, which poses  
a threat and safety to security of the  
Stayton police institution & my self but  
as well continue working in enforcement this  
is unprofessional, inappropriate & unconstitutional  
But each are not only guilty of condoning  
unprofessional behavior but break Stayton Police  
Rules & Regulations by not with holding fellow employees  
accountable but are guilty of Hiding and absolving  
preventing me the right to file criminal case  
charges.
